Sir:

In response to the restriction requirement set forth in the Office Action mailed February 18, 2005, Applicants hereby elect with traverse Group II, Claims 6-11, drawn to a testing system for electronic devices, for examination. The traverse is on the ground that the restriction does not set forth any basis for restricting Group II from Group III. If the traversal is accepted, then Applicants elect the combination of Group II, Claims 6-11, drawn to a testing system for electronic devices, and Group III, claims 12-16, drawn to a method for testing functional characteristics of a plurality of electronic devices, for examination.

Applicants, of course, reserve the right to file a divisional application covering the subject matter of the non-elected claims. Receipt of the initial Office Action on the merits is awaited.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,
